2023 Annual Report

The Nevada Scottish Rite Foundation

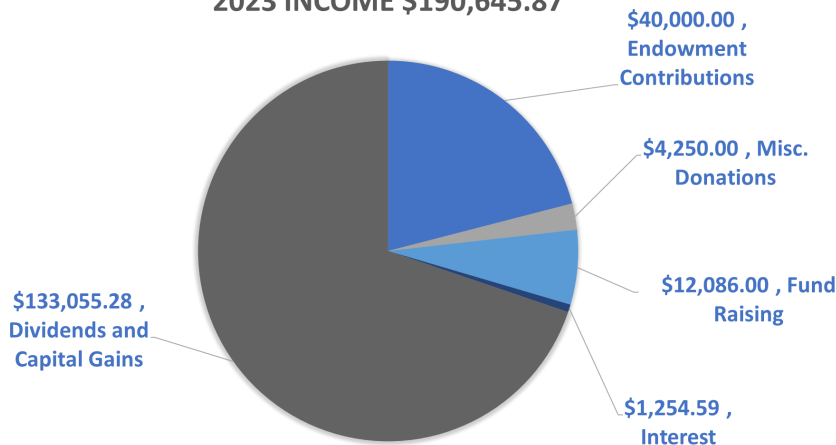

The Nevada Scottish Rite Foundation, a non-profit Nevada Corporation 501(c) 3 was established in 1986 as the philanthropy for the Scottish Rite Valleys of the Orient of Nevada.

Today, in conjunction with the University of Nevada in Reno, and Nevada State University in Henderson and Las Vegas, we treat children at no cost who are afflicted with language and learning disorders, principally, dyslexia and aphasia.

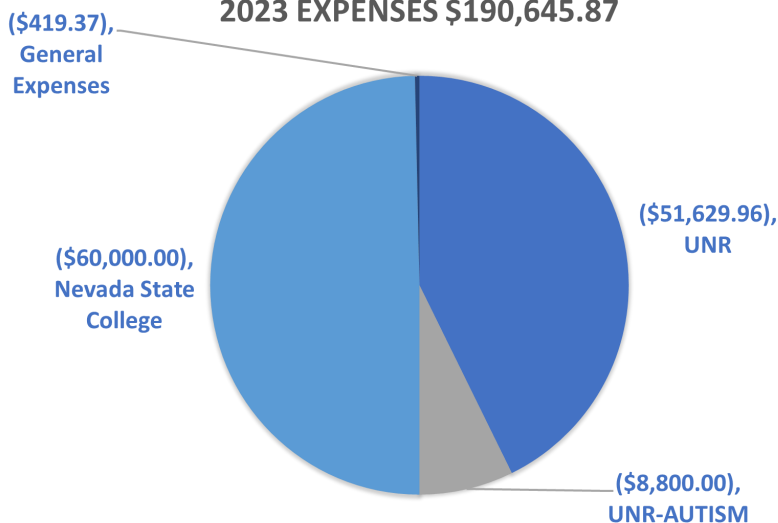

The costs of operating our Rite Care clinics in Reno, Henderson, and Las Vegas, which provide these necessary services to afflicted children are entirely borne by the Nevada Scottish Rite Foundation. Our support for the clinics now exceeds \$120,000 annually. All donations received go entirely to the support of the Clinics or Endowment Fund, no administration costs are deducted. Our Board of Trustees donate their time and talent so that the Foundation can function productively and effectively.

2023 EXPENSES \$190,645.87

Las Vegas RiteCare

Since partnering with Nevada State College in 2016 we have seen over 300 local children with speech and autism needs. In 2015 we began to provide scholarships for the students studying at Nevada State College majoring in Speech Pathology. So far we have awarded over \$5,000 in scholarships for these students. Your generosity and efforts have made those scholarships possible.

As we approach 2024 the Las Vegas Valley of the Orient of Nevada stands at another milestone. Now in addition to helping children with speech and auditory issues, we are now branching out into helping adults suffering with Parkinson's Disease. Our mission is expanding, the help we provide is boundless. None of those accomplishments would be possible without your generosity and dedication of time, talent and treasure.

Sincerely Christopher D. West
Chairman of the Las Vegas Valley Scottish Rite Clinic.

UNR Reno RiteCare

The UNR Reno RiteCare Clinic keep queue of about 12 patients in line at a time varying upon need. Scholarships are presented to UNR including two \$2,000.00 scholarships to Graduate Speech Therapy Students and one \$1,000 scholarship to an undergraduate student. Efforts are ongoing to expand the program to serve more patients
